STEP 3 / 10

Arrive at your first job and Clock in

1. Clock in when you arrive at the property — not from home.
2. Tap the blue Clock in button on that job. If your phone asks for your location, tap Allow.
3. The card now says Currently on the clock.

Read the SOP before you clean

2. If you see Mark SOP reviewed, tap it when you're done reading.
3. Tap Close SOP. If there is no SOP, call the office before you start.

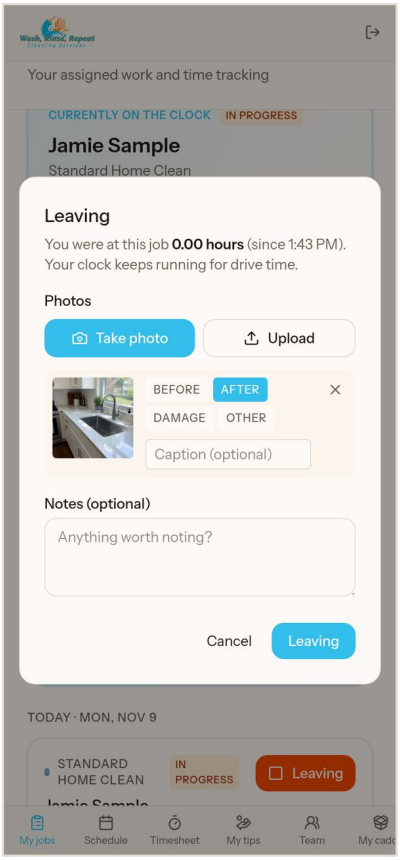

5

STEP 5 / 10

Finish the job: photos, then Leaving

1. When you're done cleaning, tap the orange Leaving button.
2. Tap Take photo or Upload, then choose Before, After, Damage or Other under each photo.
3. Damage photos need a short description. Tell the office about damage right away.
4. Tap Leaving to finish the job.

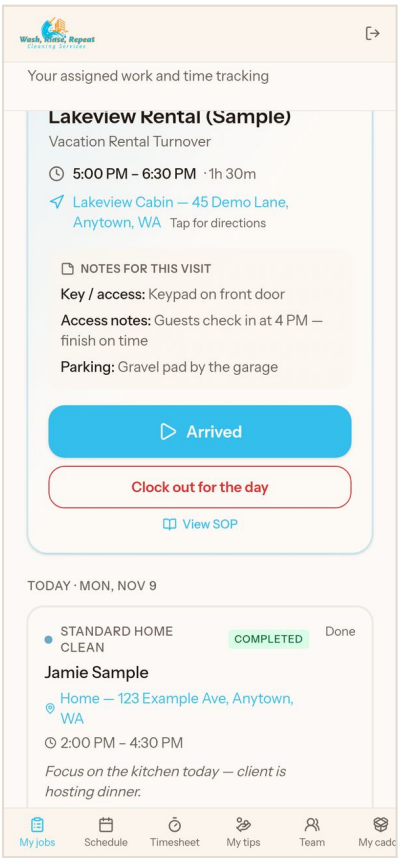

6

STEP 6 / 10

Drive to the next job and tap Arrived

1. Your paid time keeps running while you drive.
2. At the next property, tap the blue Arrived button.
3. Repeat steps 4 and 5 at every job: read the SOP, clean, photos, Leaving.

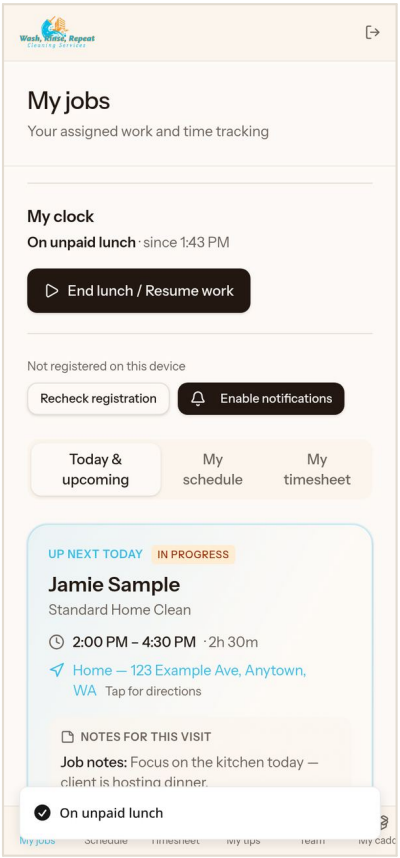

7

STEP 7 / 10

Mark your unpaid lunch

1. Tap Start unpaid lunch when your break begins.
2. Tap End lunch / Resume work when it's over.

After your last job: Clock out

1. Tap Leaving at your last job first.
2. Then tap Clock out for the day and confirm. My clock changes to Clocked out.
